

# Seminarankündigung

**Dienstag, 18. September 2012  
17:15 Uhr**

**ZNN, Seminarraum EG 0.001**

**“Quantum optics in semiconductors:  
Strong photon-photon and photon-  
phonon interactions in a coupled  
quantum dot-photonic crystal  
nanocavity”**

**Dr. Armand Rundquist  
Stanford University  
USA**
